

Cedar Mountain Perennials Job Announcement

Job Title: Garden & Nursery Assistant

Part-time: 10-20 hrs/week

April through Mid-Sept.

Pay: DOE

Cedar Mountain Perennials is a grower of quality native landscape plants for Inland Northwest gardens. We have been in business since 2010 and are located near Athol, Idaho. We are seeking a self-motivated individual to work at the nursery this spring and summer. Responsibilities will include watering, potting seedlings, mixing soil, and record-keeping in the nursery as well as weeding, watering, seed collecting, and maintaining plants in the demonstration gardens. The individual must be well organized and able to work without direct supervision at times.

Qualifications:

- A demonstrated history and interest in working with plants.
- Horticultural training and/or
- Experience in nursery/greenhouse work, landscaping, or gardening.
- Reliable transportation to the nursery

If interested, please submit a résumé and brief cover letter highlighting your strengths relative to this position. Please include contact information for recent employers or school advisors.

Send all materials by March 15, 2022 to:
